### 模板十二：对比观点

There is a widespread concern over the issue that (作文题目) But it is well known that the opinion concerning this hot topic varies from person to person.

A majority of people think that \_ 观点一\_. In their views there are 2 factors contributing to this attitude as follows: in the first place, 原因一. Furthermore, in the second place, 原因二. So it goes without saying that 观点一.

People, however, differ in their opinions on this matter. Some people hold the idea that 观点二. In their point of view, on the one hand, 原因一. On the other hand, 原因二. Therefore, there is no doubt that 观点二\_.

As far as I am concerned, I firmly support the view that 观点一或二. It is not only because \_\_\_\_, but also because \_\_\_\_. The more \_\_\_\_, the more\_\_.

### 模板十三：说明利弊

Nowadays many people prefer A because it has a significant role in our daily life. Generally, its advantages can be seen as follows. First (A 的优点之一). Besides, (A 的优点之二).

But every coin has two sides. The negative aspects are also apparent. One of the important disadvantages is that (A 的第一个缺点). To make matters worse, (A 的第二个缺点).

Through above analyses, I believe that the positive aspects outweigh the negative ones. Therefore, I would like to (我的看法).

(From the comparison between these positive and negative effects of A, we should take it reasonably and do it according to the circumstances we are in. Only by this way, (对前景的预测). )

例如：

#### 核危机讨论

Last week we had a debate about whether we should develop the nuclear stations. Opinions are divided.

During the debate, some students said we should develop the nuclear stations, since it would bring people much electricity to people, and reduce the pressure of using electricity in the world. Meanwhile, it can create more jobs.

However, others thought the government should limit the number of the nuclear stations, since they can cause all kinds of populations, air pollution included. They thought solar energy power stations, which are environmentally friendly, should be developed.

In my opinions, we should...
